DEMPSEY AND MAKEPEACE

DEMPSEY & MAKEPEACE

You have two hours to locate and rescue your partner, who has been captured and held somewhere over a vast area of London.

Driving and shooting sequences combine with 3D exploration sections in the search for the clues required to complete your mission.

Your final rating will not only depend on successfully rescueing your partner, but also on the time taken and on how many other crimes you can solve on the way.

LOADING INSTRUCTIONS

1. Place the cassette into datacorder and press rewind until tape stops, then press stop.
2. Press the small enter key while holding down the CTRL key.
3. Now follow the on screen prompts.
4. If the programme fails to load correctly, turn the tape over and repeat the procedure.

If after following this procedure, the programme still fails to load correctly, please return the complete package to us, stating where and when purchased. We will be pleased to replace it.
